CAPITAL CARDIOLOGY ASSOCIATES ANNOUNCES STRATEGIC PARTNERSHIP WITH CARDIOVASCULAR LOGISTICS FOR ENHANCED CARDIAC CARE

ALBANY, New York – October 2, 2023 - Capital Cardiology Associates (CCA), a leading provider of cardiac care and weight management services in the Capital Region, is proud to announce a strategic partnership with Cardiovascular Logistics (CVL). CVL, known as the most comprehensive cardiovascular platform in the country, has revolutionized the delivery of cardiovascular care nationwide since its inception a decade ago.

The decision for Capital Cardiology Associates to join CVL was driven by the desire to join a network of the premier practices in the country, gain strategic and operational expertise, and improve care delivery for patients in the Capital region and beyond. "CVL's resources and support will contribute to our practice's ability to thrive in a competitive healthcare environment and provide high-quality care to our patients," said Dr. Augustin J. DeLago, CEO of Capital Cardiology Associates.

"Our partnership with Cardiovascular Logistics will allow us to expand into surrounding areas, to prepare for the future as cardiology procedures continue to shift into the outpatient arena, and to enter into new service lines," said Dr. Lance Sullenberger, COO at Capital Cardiology Associates. "This collaboration aligns with our commitment to ensuring that every individual who walks through our doors receives the highest quality of care in a comfortable and supportive environment."

The partnership between Capital Cardiology Associates and Cardiovascular Logistics represents a significant milestone in the mission to enhance and expand access to high-quality cardiac care in the Capital Region. By leveraging CVL's expertise and innovative solutions, CCA will greatly enhance its capabilities, ensuring that patients receive cutting-edge and compassionate care.

"Capital Cardiology's mission aligns with ours, which makes them an ideal partner for our platform," said David Konur, CEO of CVL. "We are excited to have CCA on board so that together, we can fundamentally change how cardiovascular care is delivered in the United States," added Konur.

Capital Cardiology Associates is renowned for its state-of-the-art diagnostics, a team of highly skilled board-certified physicians, and a caring and competent staff dedicated to providing personalized attention and exceptional medical treatment to each patient.

Capital Cardiology Associates is excited to introduce the Capital Region to the difference of innovative and compassionate cardiac care made possible by this partnership. With a shared dedication to excellence, CCA and CVL are poised to make a significant impact on the delivery of cardiovascular care and improve patient outcomes.
